Showcasing a Taste of the Central Coast

The Buy Local Business Festival has been created with a strong belief of pride and community spirit in our region and will showcase local services and goods, gathering businesses and consumers under one roof.

Designed to create an enjoyable atmosphere whilst maximising business building potential, the Buy Local Business Festival is sure to be a great success catering for all types of businesses. 123 sites booked to date.

Business advisory section, informative demonstrations, job networking opportunities, cook off's, live music, country markets, prizes, give-aways and so much more.

Prizes will be drawn every half hour, so come along, have a great day out while supporting Central Coast businesses and your community. Buying locally sustains future growth for you and your family and helps our region thrive.

The Iris Foundation will be collecting a gold coin donation on the day to help assist in the prevention of suicide on the Central Coast.
